

Health & Safety Conditions

Safety Precautions for 2016-2017 including, but not limited to the following:

- At least 1 CPR Certified coach on every staff, at every practice, and every game.
- At least 1 First Aid Certified coach on every staff, at every practice, and every game. Preferably the team manager or safety coordinator.
- Every coach will have successfully complete a concussion course.
- At least 1 coach/staff member will have a smartphone with a concussion application that is current and functioning.
- We will have a first aid kit at every practice and every game.
- We will log and keep data on every injury from every practice. Data will be used for research purposes and to improve youth injury prevention. Task to be completed by team manager or safety coordinator.
- We will have a defibrillator at every game.
- There will have certified Athletic Trainer for every GYFL Varsity game.
- Each team will have a written emergency plan for both practices and games
- Each child will have a properly fitted mouth guard.
- **Inclement weather (lightning) policy**
- At first sign of lightning or sound of thunder, athletes are removed from field of play and brought to emergency location. Practice suspended until 30 minutes after last sign of lightening or sound of thunder.
